

Clash Table - SECOND SEMESTER 2020

		2					3							4											
		Environmental Eng - R2	Meas & Exp Methods	Strength of Materials 1	Design Methods	Maths 2B (Eng) - R1	Electronic Engineering	Man Technology	Control Systems	Mech Eng Practicals	Fluid Mechanics 2	Sel of Eng Materials	Thermodynamics 2	Heat & Mass Transfer 1	Theory of Machines	Mechatronic Engineering	Numerical Methods	Eng Entrepreneurship	Des & Res Project 2	Energy Management	Mechanical Vibrations	Fracture and Fatigue	Automation	Sel Top in Mech Eng 2	
1	Chem for Eng 1B - R1	2			2	2		2					2	2		2	1							2	
	Eng Physics 1B - R1		4	3	1				2	2							2								2
	Maths 1B (Eng) - R3					4					5							2							
	App Maths 1B (Eng) - R3		2				3					3	1		2					3	1			2	
	Mech Eng Design					1	4		4					2									1		
	Intro to Eng Materials		2		1					2						1									
2	Environmental Eng - R2							2								2									
	Meas & Exp Methods									4							2				1				
	Strength of Materials 1								3										1					3	
	Design Methods									3			2	1											
	Maths 2B (Eng) - R1										2	2	2								1	2			
	Electronic Engineering							4				3								2					
3	Man Technology	2														3									
	Control Systems				3		4																		3
	Mech Eng Practicals		4		3																				
	Fluid Mechanics 2					2												2							
	Sel of Eng Materials						3												2						
	Thermodynamics 2					2							2								1	2			
	Heat & Mass Transfer 1				2	2															1	1			
	Theory of Machines		2		1																				2
4	Mechatronic Engineering	2						3																	
	Numerical Methods		2																						
	Eng Entrepreneurship										2														
	Des & Res Project 2		1																						
	Energy Management											2													
	Mechanical Vibrations					1							1	1											
	Fracture and Fatigue					2							2	1											
	Automation		2												2										
Sel Top in Mech Eng 2			3					3																	

Note:

All lecture, tutorial and practical period clashes are indicated, except for those associated with Design and Research Project 2 practical periods.
